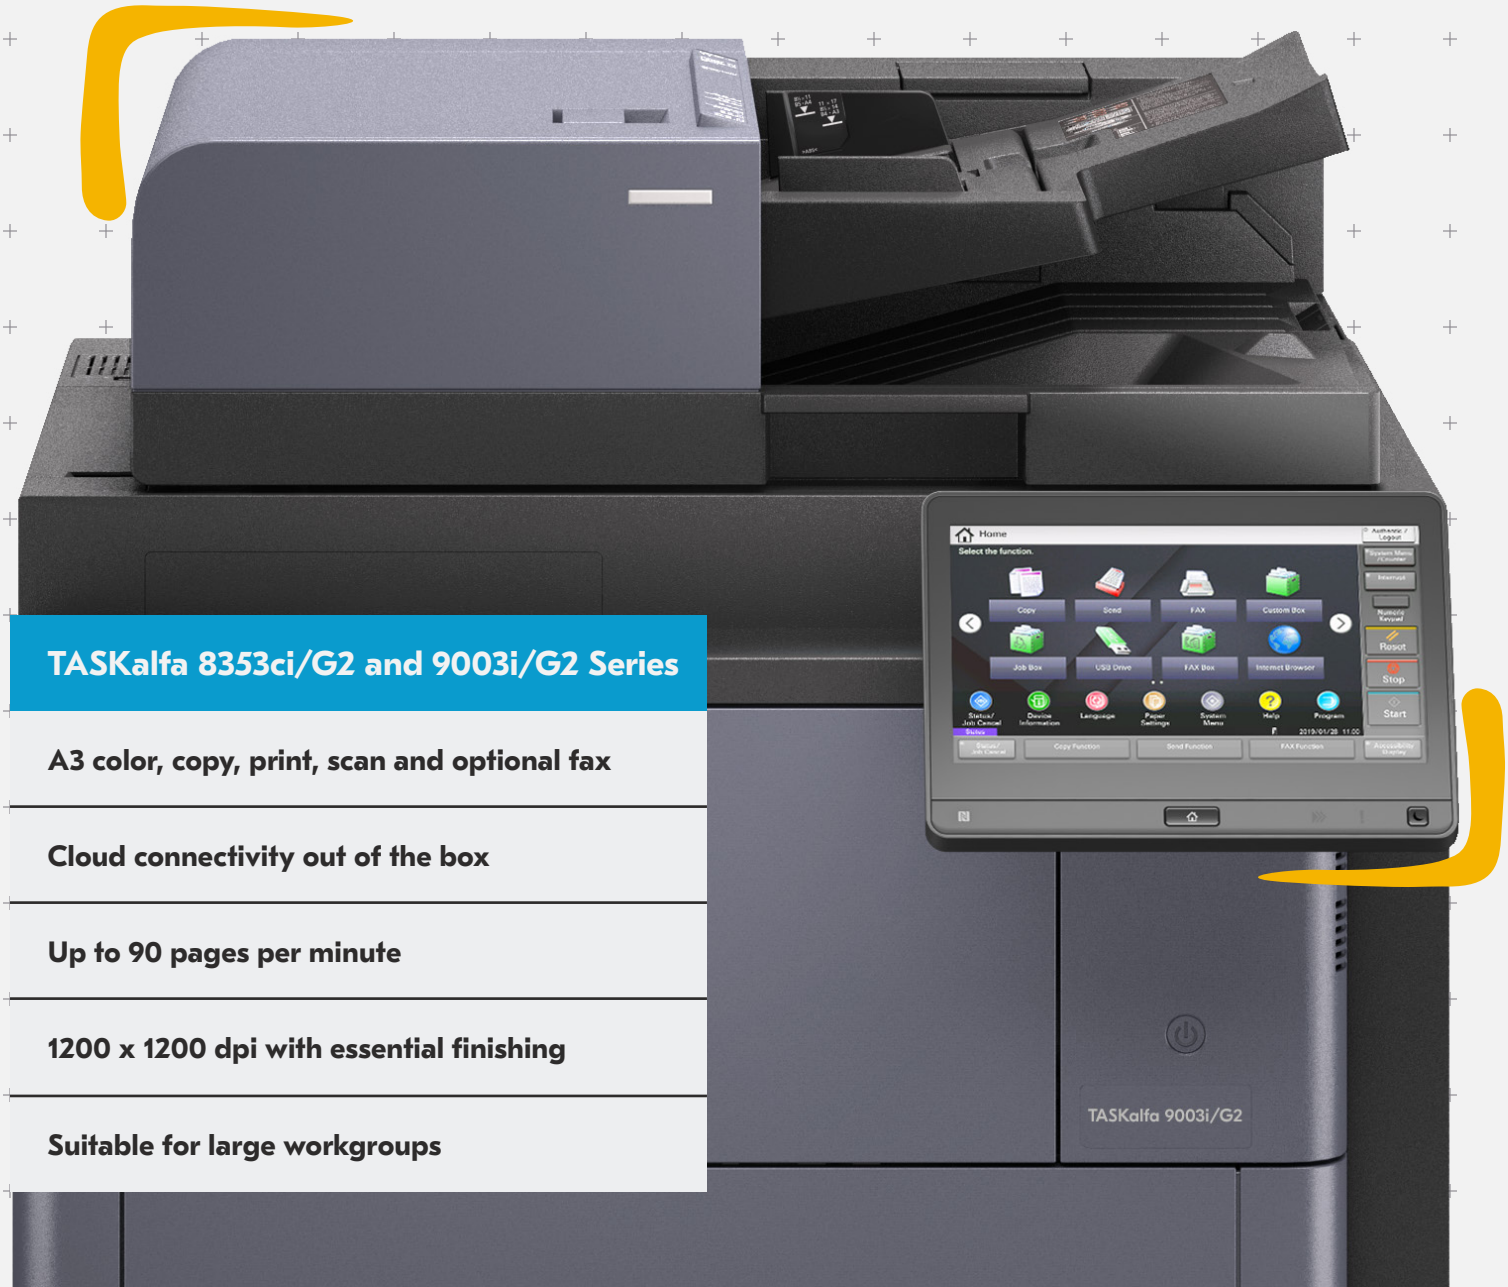
Cloud-enabled. Business-ready.

Kyocera's TASKalfa 8353ci/G2 and 9003i/G2 Series delivers cloud-based solutions with high reliability and essential finishing for high-volume printing and scanning applications.



TASKalfa 8353ci/G2 and 9003i/G2 Series

- A3 color, copy, print, scan and optional fax
- Cloud connectivity out of the box
- Up to 90 pages per minute
- 1200 x 1200 dpi with essential finishing
- Suitable for large workgroups

Cloud Ready When You Are

The TASKalfa 8353ci/G2 and 9003i/G2 Series now come with Kyocera's proprietary pre-installed cloud solutions of Kyocera Cloud Print and Scan, Kyocera Cloud Information Manager and Kyocera Cloud Capture. Serving the multifaceted needs of all-size organizations, these deliver high-speed, reliable performance, precision engineering, and remote monitoring. Overall, their ease of use keep staff and systems operating at their highest level of efficiency.

Cloud Ready for Complete Control
Built-in cloud tools streamline everything from printing to content management—making digital workflows seamless.

High Speeds, High Productivity
Maintain critical uptime and consistent quality with print speeds up to 70 ppm in Color and up to 90 ppm in Black & White. It's WiFi ready, right out of the box, too.

Reliable Media Handling
Spend less time filling media trays. Increase capacity from the standard 4,150 up to 7,650 sheets, print on sheets up to 12" x 18" and paper weights up to 300 grams per square meter.

Where Color Meets Clarity
Enjoy vibrant color and crisp image quality with smooth gradations and clear contrast. Kyocera's Tiered Color System helps you manage your printing costs by letting you pay only for the color you actually use.

Powerful Scanning & Copying
Accomplish big jobs quickly with the 270-sheet Dual Scan Document Processor. Scan duplex pages at up to 220 images per minute.

Finish More, Spend Less
Save time and cut costs with 4,000-sheet finishers, offering stapling for up to 100 sheets and optional booklet and tri-folding capabilities.

Cloud Ready for Complete Control

Devices come with pre-installed cloud-based software solutions accessible via the digital cloud platform on the panel. Kyocera Cloud Print and Scan (KCPS), Kyocera Cloud Capture (KCC), and Kyocera Cloud Information Manager (KCIM) simplify your digital transformation through data capture, data sorting, and device print management without high costs or complexity.

KCPS: Print Control

Save money and resources by eliminating on-premise servers while ensuring optimal security at all times. KCPS is an ideal tool when you want to:

+ Add print quotas in sectors such as education to ensure that administrators can optimize print usage and reduce waste.
+ Facilitate hybrid work or work across numerous locations, such as in construction or retail, where printing is needed on-the-go.
+ Access documents off-site and facilitate mobile access to data wherever you might be.

Learn more:

KCC: Capture

Shift to a smarter workplace by digitizing, labeling, and indexing documents at your device to streamline workflows. KCC is an excellent solution for:

+ Finance teams managing invoices efficiently with search and eSignature to ensure on-time payments and to meet audit requirements without hassle.
+ Digitizing paper-based employee records for HR teams to support the talent lifecycle management.
+ Handling a vast number of critical documents and facilitate the easy tracking of files.

Discover more:

KCIM: Management

Securely access and control documents for maximum efficiency in hybrid work environments. KCIM enables you to:

+ Automate the lifecycle of contracts and invoices by limiting user access and assigning ownership directly to owners to ensure a fluid process.
+ Collaborate across work locations, whether remote, in-person or hybrid, by sharing documents and data.
+ Store customer records securely and share data when required with other members of relevant teams.

Keep everyone on the same page

Support mobile employees	Support mobile employees by putting print, scan and send features at their fingertips with Kyocera Mobile Print, Apple AirPrint® and Mopria®. Standard Near Field Communication (NFC) for Android™ and Wi-Fi Direct provides added smart device convenience.
Simplify IT management	Simplify IT management with Kyocera's Command Center RX, a standard web-based interface that enables remote printing, file sharing, device monitoring, settings updates and address book entry, right from your desktop.
Print and share frequently used files	Print and share frequently used files with Document Box, a secure area on the hard drive where documents are conveniently stored and easily retrieved.
Reduce costs	Reduce costs with Proof Copy Mode. Print and approve a sample copy before duplicating large documents to prevent waste.

Remote monitoring redefined

Optimize device uptime and reduce costs with Kyocera Fleet Services (KFS), a highly-secure cloud-based monitoring solution that offers real-time visibility into:

+ **Device Status:** take a proactive approach to error resolution to ensure that your fleet operates at peak performance.
+ **Counter Activity:** eliminate administrative burden with automatic meter reading, for accurate and timely billing.
+ **Supply Levels:** view consumable levels to prevent unnecessary workflow interruptions.
+ **Usage Trends:** Identify print, copy, scan and error code trends to make more informed decisions (fleet right-sizing), and further optimize workflow.

Keep work safe and secure

The TASKalfa 8353ci/G2 and 9003i/G2 Series offers standard security features built into the device software, as well as optional enhancements to help keep sensitive documents from falling into the wrong hands. Work confidently with:

+ Standard Data Security Kit (E) for overwrite and encryption, to help safeguard mission-critical workflows.
+ Standard Embedded TPM.
+ Standard Secure Boot.
+ Standard Run-Time Integrity Check.
+ Added "Power Users".
+ PDF Encryption to restrict access for displaying and printing PDFs by assigning a secure password.
+ Private Print function with password protection and User Authentication.

Where Color Meets Clarity

For users who rely on complex, color-intensive output, choose the optional Fiery® Print System 16 for the TASKalfa 8353ci/G2 and TASKalfa 7353ci/G2 to drive even greater productivity and produce consistent results.

Featuring integrated tools to help users of all levels achieve precise, high-quality color, the system offers a powerful controller to streamline job processes and make the creation of high-value deliverables, including booklets, easier to manage.

Kyocera's Tiered Color System uses firmware within our devices to measure usage levels for each document you print, so that you only pay for the color you use.

Finish strong

Boost productivity and lower costs with our high-capacity 4,000-sheet finishers, built to handle demanding office workloads with ease. Designed for efficiency, these finishers allow for extended, uninterrupted print runs, reducing the need for frequent intervention and letting your team stay focused on more important tasks.

Equipped with robust stapling power, they can staple up to 100 sheets in a single set, making it simple to produce organized reports, proposals, or training materials without additional manual effort. For even greater versatility, optional finishing features such as booklet-making and tri-folding expand your in-house capabilities. This means you can quickly create polished booklets, brochures, or mail-ready documents without outsourcing, cutting costs while maintaining control over quality and turnaround times.

Reliable handling of various media

Extended Capacity
Boost total input from the standard 4,150 sheets to an impressive 7,650 sheets. Spend less time refilling trays and more time focusing on productive tasks while maximizing your capabilities to meet demand whenever the pressure is on at your organization.

Versatile Media Support
Print on sheets as large as 12" x 18," and substrates up to 300 grams per square meter (gsm) to produce durable covers, cards, and other heavyweight applications. This flexibility can help you to adapt quickly.

Enhanced Productivity
Longer uninterrupted print runs help eliminate workflow disruptions. Ideal for high-volume environments where consistency and speed are critical. Our reliability helps your business to stay on top of what's needed.

Cost Savings & Flexibility
Minimize outsourcing by handling more projects in-house. Reduce manual intervention and labor costs with a system built for efficiency. The TASKalfa 8353ci/G2 and 9003i/G2 Series provides capacity, flexibility and reliability.

Print smarter for the planet

Long-Lasting Drum
A Kyocera device has a drum life of up to 600,000 images. You can reduce downtime and waste by counting on Kyocera technology.

Toner Recycling
In addition to our ECO footPRINT™ Toner Recycling Program, black toner cartridges can be reused as waste toner collection units, recycling and ensuring that your device creates as little waste as possible.

Toner Lock Technology
Research shows that up to 10-15% of toner is wasted by being thrown away too early. Toner lock technology minimizes waste as toner automatically opens to make the toner replacement process easy and straightforward.

Made from Recycled Materials
30% of plastics used in Kyocera products are recycled, and more than 99% of the total plastic can be recycled, ensuring that your footprint is kept to a minimum and environmental impact is limited.

Specifications at a Glance

TASKalfa 8353ci/G2

Pages Per Minute:
Black – Letter: 83 ppm, Legal: 49 ppm, Ledger: 41 ppm, 12″ x 18″: 41 ppm (print only)
Color – Letter: 70 ppm, Legal: 42 ppm, Ledger: 35 ppm, 12″ x 18″: 35 ppm (print only)
Warm Up Time: 44 Seconds or Less (Power On)
First Page Out:
Copy: 4.8 Seconds or Less Black, 5.9 Seconds or Less Color
Print: 4.9 Seconds or Less Black, 6.1 Seconds or Less Color
Typical Electricity Consumption (TEC):
120V: 1.70 kWh/week; 220V: 1.68 kWh/week
Weight: 401.2 lbs
Maximum Monthly Duty Cycle: 450,000 Pages per Month

TASKalfa 7353ci/G2

Pages Per Minute:
Black – Letter: 73 ppm, Legal: 43 ppm, Ledger: 36 ppm, 12″ x 18″: 36 ppm (print only)
Color – Letter: 65 ppm, Legal: 39 ppm, Ledger: 32 ppm, 12″ x 18″: 32 ppm (print only)
Warm Up Time: 44 Seconds or Less (Power On)
First Page Out:
Copy: 5.4 Seconds or Less Black, 6.2 Seconds or Less Color
Print: 5.3 Seconds or Less Black, 6.3 Seconds or Less Color
Typical Electricity Consumption (TEC):
120V: 1.43 kWh/week; 220V: 1.34 kWh/week
Weight: 401.2 lbs
Maximum Monthly Duty Cycle: 400,000 Pages per Month

TASKalfa 9003i/G2

Pages Per Minute:
Black – Letter: 90 ppm, Legal: 54 ppm, Ledger: 45 ppm, 12″ x 18″: 45 ppm (print only)
Warm Up Time: 30 Seconds or Less (Power On)
First Page Out:
Copy: 3.6 Seconds or Less Black Print: 4.0 Seconds or Less Black
Typical Electricity Consumption (TEC):
120V: 1.86 kWh/week; 220V: 1.81 kWh/week
Weight: 330.7 lbs
Maximum Monthly Duty Cycle: 450,000 Pages per Month

TASKalfa 8003i/G2

Pages Per Minute:
Black – Letter: 80 ppm, Legal: 48 ppm, Ledger: 40 ppm, 12″ x 18″: 40 ppm (print only)
Warm Up Time: 30 Seconds or Less (Power On)
First Page Out:
Copy: 3.7 Seconds or Less Black Print: 4.1 Seconds or Less Black
Typical Electricity Consumption (TEC):
120V: 1.47 kWh/week; 220V: 1.44 kWh/week
Weight: 330.7 lbs
Maximum Monthly Duty Cycle: 450,000 Pages per Month

TASKalfa 7003i/G2

Pages Per Minute:
Black – Letter: 70 ppm, Legal: 42 ppm, Ledger: 35 ppm, 12″ x 18″: 35 ppm (print only)
Warm Up Time: 30 Seconds or Less (Power On)
First Page Out:
Copy: 4.2 Seconds or Less Black Print: 4.8 Seconds or Less Black
Typical Electricity Consumption (TEC):
120V: 1.24 kWh/week; 220V: 1.21 kWh/week
Weight: 330.7 lbs
Maximum Monthly Duty Cycle: 400,000 Pages per Month
