2026 A4 Line of the Year Award

The experts at Keypoint Intelligence have spoken...

Kyocera Wins **2026 A4 Line of the Year Award!** Recognized for outstanding performance across the entire A4 lineup in rigorous Lab testing.

Here's what set our A4 lineup apart — and earned us the industry's top honor.

Feature-rich lineup

Fresh, broad portfolio with a strong feature set that addresses the needs of hybrid and office working environments.

Powerful performance

High print speeds with outstanding job-stream efficiency that keep multi-user environments highly productive.

Impressive quality

Impressive image quality across the entire lineup, delivering crisp text, fine details, as well as bold and consistent color.

High-speed scanning

Fast, reliable scanning that simplifies digitization and keeps workers moving.

This award, alongside our BLI 2026 Pick Awards, reflects Kyocera's dedication to advancing technology and delivering excellence across diverse segments of the printing industry.
