

New additions to the MA4000wifx Series!

Enhance productivity and efficiency with ECOSYS MA3500wfx and PA3500wx.

Two new Kyocera ECOSYS devices join the ECOSYS MA4000wifx series, providing customers with more features for the same footprint as previous models.

ECOSYS MA3500wfx

-  A4 black and white multifunctional printer
-  Prints up to 37 pages per minute
-  Print, copy, scan, and fax functionality
-  Enhanced security and efficiency compared with previous models

Boost your office productivity with lightning-fast print, scan, copy, and fax functionality. This reliable and sustainable MFP offers high-speed performance to revitalize your work environment. Its compact design provides enhanced functionality and a seamless user experience, fitting in the same space as your previous equipment.

ECOSYS PA3500wx

-  A4 black and white printer
-  Prints up to 37 pages per minute
-  1200 x 1200 dpi resolution
-  USB, network, and wireless connectivity

This feature-rich printer maximizes efficiency without breaking the bank. Featuring a high paper capacity, Wi-Fi, duplex printing, and a compact footprint, it embodies the innovative ECOSYS line. Count on its long-life components for outstanding reliability, alongside its rapid print speeds and cost-effective operation (low TCO).

Benefits of ECOSYS technology

Explore the main advantages of these new ECOSYS devices for your workplace.

ECOSYS long-life parts

While maintaining the same footprint, these devices offer a long-life drum that lasts up to 85,000 images and a toner yield up to 3,000 pages.

Increased memory capacity

Enjoy standard 1GB memory on the MA3500wix and standard 512MB on the PA3500wx for efficient data processing in busy work environments.

Robust security updates

The latest security advancements, such as the optional Trusted Platform Module (UG-50), protect authentication certificates and provide peace of mind when processing files.

Enhanced operational efficiency

The MA3500wfx has a simple and intuitive 5-line LCD Screen with a Hard Key Control Panel. Line Skip, DP Auto Crop, and mobile capabilities further enhance productivity.

More features, more benefits!

Greater levels of productivity: High processor speeds, efficient scanning, and image enhancement features.

Effortless device setup: The Kyocera Printer Setup Tool configures connectivity across all your devices in minutes.

Wireless connectivity and mobile print: Boost operational efficiency and mobility in your workflows.

Benefit from sustainability: Up to 85,000 images, long-life components, economical running costs, and less waste.
