TASKalfa 3010i - BIG PERFORMANCE IN A SMALL FOOTPRINT

For businesses today document efficiency is essential. With a mobile workforce, and myriad ways to communicate, your office demands technology to be able to handle both print and digital requirements.

This is where the TASKalfa 3010i comes in, bringing power and performance to companies and workgroups of all sizes. Crisp black and white output combines with advanced finishing and speed. A document imaging portal that drives not only copy, print, and scan, it also simplifies your most frequent tasks such as knowledge sharing, archiving and more.

Index, file and distribute digital documents. Print and scan capabilities on the go. Optimize, track and manage network devices from one location. Control and recover costs. All while keeping your most valuable asset, your information, secure.

Welcome to the world of productivity, the TASKalfa 3010i, only from KYOCERA.

MOVING INFORMATION SECURELY AND ON YOUR TERMS

The TASKalfa 3010i powers the needs of today's consistently moving workforce, with capabilities that take MFP functionality and convenience to the next level:

- Optional wireless lets you place your device virtually anywhere
- USB host interface for print-from and scan-to convenience
- Command Center RX web interface enables remote device monitoring network-wide
- Apple AirPrint™ enabled for iOS devices

Protecting information is no longer a technology add-on. With growing emphasis on compliance, today's businesses need devices that ensure their confidential information remains protected. KYOCERA's powerful standard and optional solutions address security concerns and safeguard sensitive information across the network:

- Standard PDF encryption, password protection, user authentication and private print help keep information safe by mitigating unauthorized access
- Optional HID card readers minimize IT burden while maximizing security using existing infrastructure
- An optional Data Security Kit provides hard drive overwrite and encryption for your critical business documents

FLEXIBLE CONFIGURATIONS TO FIT YOUR NEEDS

The TASKalfa 3010i delivers document imaging convenience and efficiency, through flexible configurations that reflect your needs. Choose from one of three optional document processors to address your specific scanning requirements. Select paper drawer options that conform to the varying document sizes and types you use most often. Or add a cabinet for increased storage space. Optional finishing capabilities can range from simple stapling, to hole punching and a multi-bin mailbox. It all depends on you. But regardless of which options you choose, you'll experience the same uncompromising level of quality and performance:

• 30 ppm crisp output • Scan speeds of up to 160 ipm in black and 80 ipm in color • Up to 4,100 sheet paper capacity
